PORTUGAL LONG STAY

LIMITED AVAILABILITY

Albufeira is the largest and most energetic of all the resort towns that line southern Portugal's beautiful Algarve coastline. Albufeira provides stunning beaches, a glorious climate, a vast selection of restaurants and a buzzing nightlife. There is so much to love about Albufeira – this once peaceful fishing village has transformed into the Algarve's most popular holiday destination. Within the charming and historic streets of the "Old Town" there are over 100 different restaurants and bars, while the nightlife scene is vibrant and social. From your resort you can book many interesting day trips, including to the historic and cultural towns of Silves, Faro & Loulé. More leisurely activities could include a boat tour that departs from the marina – these tours range from deep sea fishing, coastal tours and dolphin watching. The Old Town is the historic centre of Albufeira and is a series of traditional Portuguese streets and plazas, filled with restaurants and shops. If you love to golf, Albufeira can't be beaten, with world-class courses and facilities. Please be advised that while this tour offers a leisurely pace, the Albufeira region of Portugal is known for its hilly uneven terrain and cobblestone streets. These factors may make navigation difficult for individuals with mobility issues or those who rely on mobility aids such as wheelchairs, walkers, or canes. Additionally, getting to town for groceries or dinner may require walking or taking a taxi. As the property is large, depending on the location of your room, you may need to walk a bit to reach the beach or the pool. Therefore, we would not advise this long-stay for those with any mobility constraints.

Come with us to the Opera House in Orangeville for an afternoon of laughter. A triggering incident sets the wheels in motion, and when you see the story unfold on stage, it seems quite logical, and funny! Physical and Cognitive Fitness:

Our multi-day tours are designed for individuals who are considered to be physically and cognitively fit. If you encounter difficulty moving around independently in your daily life, you may find our lighter day tours more suitable for your abilities. To join our multi-day tours, participants must be capable of walking extended distances at a reasonable pace and comfortably navigate multiple staircases. We strongly recommend that you carefully choose a tour that does not exceed your physical capabilities. This choice should align with or exceed the designated "activity level" outlined on the Lakeshore/Cardinal website and brochure for the specific tour itinerary you intend to join. Some of our tours are not suitable for individual's requiring wheelchairs or walkers. If you have concerns about your physical capabilities in relation to our tours, we encourage you to engage in a conversation with one of our reservation agents. They can assist you in selecting the tour best suited to your activity level.
