JANUARY 13, 2027 TELL TALE HARBOUR @ ROYAL ALEXANDRIA NORTH ROUTE SOLD OUT $269.00

Deep in the heart of Atlantic Canada sits a small but proud harbour eager to keep its community together. With the sudden closing of their precious fish plant, this once bountiful village is looking for a miracle. When an opportunity arises to secure a state-of-the-art frozen french fry factory — and the many jobs it would create — the entire community is galvanized into action. There's just one major obstacle — to secure the factory, the harbour must have a full-time resident doctor. Realizing this might be their last chance to save their beloved home, the townspeople come together to spin the truth and put on a show to charm an interim doctor into moving there permanently. Co-written by, and starring Great Big Sea's music icon, **Alan Doyle**, ***TELL TALE HARBOUR*** is packed with all the songs and laughs we expect from the best East Coast kitchen party. It is as relatable as it is ridiculous, as hilarious as it is heartfelt, and celebrates the people, the trials, and the triumphs of living in a small town on the edge of the mighty Atlantic Ocean. Lunch is included at the HotHouse Restaurant prior to the afternoon performance at the Royal Alexandria Theatre.

Albufeira provides stunning beaches, a glorious climate, a vast selection of restaurants and a buzzing nightlife. There is so much to love about Albufeira – this once peaceful fishing village has transformed into the Algarve's most popular holiday destination. ACTIVITY LEVEL: VERY ACTIVE Please be advised that while this tour offers a leisurely pace, the Albufeira region of Portugal is known for its hilly uneven terrain and cobblestone streets. Additionally, getting to town for groceries or dinner may require walking or taking a taxi. As the property is large, depending on the location of your room, you may need to walk a bit to reach the beach or the pool. Therefore, we would not advise this long-stay for those with any mobility constraints.

Physical and Cognitive Fitness:
Our multi-day tours are designed for individuals who are considered to be physically and cognitively fit. If you encounter difficulty moving around independently in your daily life, you may find our lighter day tours more suitable for your abilities. To join our multi-day tours, participants must be capable of walking extended distances at a reasonable pace and comfortably navigate multiple staircases. We strongly recommend that you carefully choose a tour that does not exceed your physical capabilities. This choice should align with or exceed the designated "activity level" outlined on the Lakeshore/Cardinal website and brochure for the specific tour itinerary you intend to join. Some of our tours are not suitable for individual's requiring wheelchairs or walkers. If you have concerns about your physical capabilities in relation to our tours, we encourage you to engage in a conversation with one of our reservation agents. They can assist you in selecting the tour best suited to your activity level.

Right to Refuse Service/Removal From Tour:
In the event that you choose a tour that exceeds your physical or cognitive capabilities, and you are unable to keep up or are consistently holding up the group, Lakeshore/Cardinal reserves the right to remove you from the tour, and any associated costs will be your responsibility. No refund for unused services will be provided. Additionally, we hold the authority to decline any individual as a tour member at our sole discretion, at any time and for any reason if, in our judgment or in the judgment of a third-party service provider on the tour, a guest's condition may impact the health, safety, or overall experience of other travelers. Our utmost concern is your safety and well-being. If continuing the tour poses a risk to your health or comfort, we may need to make arrangements for you to exit the tour while ensuring your safe return to your point of origin.

Assistance Requirement:
If you are unable to navigate independently, it is imperative that you have a companion accompanying you to provide assistance. The tour director's availability to offer personal assistance is limited as their primary focus is to support the entire group. Lakeshore/Cardinal does not provide personal equipment (e.g., wheelchairs, hearing aids, prescription eyeglasses) nor do we offer personal care services (such as assistance eating, using the restroom, or dressing themselves).
