If you love to golf, Albufeira can't be beaten, with world-class courses and facilities. Complete brochure available.

A Canadian passport valid for 6 months past the date of return to Canada is required for this tour.

ACTIVITY LEVEL: VERY ACTIVE Please be advised that while this tour offers a leisurely pace, the Albufeira region of Portugal is known for its hilly uneven terrain and cobblestone streets. These factors may make navigation difficult for individuals with mobility issues or those who rely on mobility aids such as wheelchairs, walkers, or canes. Additionally, getting to town for groceries or dinner may require walking or taking a taxi. As the property is large, depending on the location of your room, you may need to walk a bit to reach the beach or the pool. Therefore, we would not advise this long-stay for those with any mobility constraints.

Physical and Cognitive Fitness:

Our multi-day tours are designed for individuals who are considered to be physically and cognitively fit. If you encounter difficulty moving around independently in your daily life, you may find our lighter day tours more suitable for your abilities. To join our multi-day tours, participants must be capable of walking extended distances at a reasonable pace and comfortably navigate multiple staircases. We strongly recommend that you carefully choose a tour that does not exceed your physical capabilities. This choice should align with or exceed the designated "activity level" outlined on the Lakeshore/Cardinal website and brochure for the specific tour itinerary you intend to join. Some of our tours are not suitable for individual's requiring wheelchairs or walkers. If you have concerns about your physical capabilities in relation to our tours, we encourage you to engage in a conversation with one of our reservation agents. They can assist you in selecting the tour best suited to your activity level.

In the event that you choose a tour that exceeds your physical or cognitive capabilities, and you are unable to keep up or are consistently holding up the group, Lakeshore/Cardinal reserves the right to remove you from the tour, and any associated costs will be your responsibility. No refund for unused services will be provided. Additionally, we hold the authority to decline any individual as a tour member at our sole discretion, at any time and for any reason if, in our judgment or in the judgment of a third-party service provider on the tour, a guest's condition may impact the health, safety, or overall experience of other travelers.
