PORTUGAL LONGSTAY

SEE BELOW

Albufeira is the largest and most energetic of all the resort towns that line southern Portugal’s beautiful Algarve coastline. Albufeira provides stunning beaches, a glorious climate, a vast selection of restaurants and a buzzing nightlife. There is so much to love about Albufeira – this once peaceful fishing village has transformed into the Algarve’s most popular holiday destination. Within the charming and historic streets of the “Old Town” there are over 100 different restaurants and bars, while the nightlife scene is vibrant and social. From your resort you can book many interesting day trips, including to the historic and cultural towns of Silves, Faro & Loulé. More leisurely activities could include a boat tour that departs from the marina – these tours range from deep sea fishing, coastal tours and dolphin watching. The Old Town is the historic centre of Albufeira and is a series of traditional Portuguese streets and plazas, filled with restaurants and shops. If you love to golf, Albufeira can’t be beaten, with world-class courses and facilities.

A Canadian passport valid for 6 months past the date of return to Canada is required for this tour.

ACTIVITY LEVEL: VERY ACTIVE Please be advised that while this tour offers a leisurely pace, the Albufeira region of Portugal is known for its hilly uneven terrain and cobblestone streets. These factors may make navigation difficult for individuals with mobility issues or those who rely on mobility aids such as wheelchairs, walkers, or canes. Additionally, getting to town for groceries or dinner may require walking or taking a taxi. As the property is large, depending on the location of your room, you may need to walk a bit to reach the beach or the pool. Therefore, we would not advise this long-stay for those with any mobility constraints.
